Greetings from SOFOSH.

On 23rd June 2017 we have received 250000 Swedish crowns (Rs. 1,82, 250) in June 2017. 20000 Swedish crowns (Rs. 14,580) for TARA and 5000 Swedish crowns (Rs. 36,450) for Shreevatsa .

We thank you and all the donors for the kind help they have been giving us and hope to have a long and beneficial relationship.

Please find attached herewith the utilization report for all the funds received. I must mention here, that there are not many donors who allow us to utilize their funds for our regular running expenses. We are extremely grateful that we can use the funds received from you for our staff salary. We have to have many caregivers on the roll and they play a very important task of giving care with utmost dedication for the children.

Please find attached herewith the Utilization report, Annual report of year 2016-1 and some photographs of our dear children at Tara and infants at Shreevatsa.

I am sure, the photos will make you all smile.

Thank you,

Sincerely,

Mrs. Sharmila Sayed
