13<sup>th</sup> June 2016

Dear Friends,

Greetings form SOFOSH.

Tara SOFOSH Dhadphale Centre is a residential child care centre for the mentally and physically changed family deprived and destitute children. At any given time we take care of about 40 children. It is a spacious and a well ventilated home and all the facilities and provided as per the needs of the children.

We would like to thank all the well-wishers who have helped these children through their valuable donation. Taking care of mentally and physically challenged children is a challenging task. We have spent the donation amount sent by you for the remuneration of the child care persons.

Tara SOFOSH Dhadphale Centre has completed eight years on 14<sup>th</sup> may 2016 and we celebrated the day with all the children, staff, well wishers and guests. Children sang beautiful songs and performed a dance.

Thank you,

Yours sincerely,
